Reasons for Allowance.

Claims 1-35 and 37-45 are allowed.

The following is an examiner's statement of reasons for allowance: The applicant's arguments are persuasive that the combination of Hull, Black, and Peach does not teach or suggest archiving email content into a graphic format as claimed and then performing workflow processes based on the content of the email. Newly cited patent US 7,155,481 to Prahlad discusses archiving of email attachments however Prahlad does not discuss archiving email in the graphic formats as claimed by the applicant nor does Prahlad teach performing a workflow based on the content of the email.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Douglas B. Blair whose telephone number is (571) 272-3893. The examiner can normally be reached on 9:00am-5:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew Caldwell can be reached on (571) 272-3868. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
